

Nutrition Support

April Training Schedule

Date: 3/24/21

Memo: SFS-21-x111

Target Audience: SFA Directors

Subject: April Training Schedule

The Louisiana Department of Education (LDOE) training schedule for April includes the following trainings. Please register for each at www.LouisianaFitKids.com

Thursday, April 1, 2021: Nutrition Support Monthly Call at 1:00pm

- State agency staff will discuss pertinent issues and announcements from USDA in this information-packed briefing. This meeting was formerly called “Child Nutrition Program Updates.”

Wednesday, April 7, 2021: Hurricane Preparedness at 1:00pm

- Join us for a brand new training designed to help SFAs prepare for future emergencies and disasters—specifically focusing on hurricane preparedness. The concepts are foundational, and will be applicable to all things disaster readiness.

Tuesday, April 13, 2021: Summer Food Service Training for Returning Sponsors at 12:30pm

- *If you attended the SFSP SFA training, you do NOT need to register for or attend this training, unless desired.*

Thursday, April 15, 2021: Procurement Series Part 2: Food Service Management Company Contracts at 1:00pm

- This training was offered in January and is back by popular demand. This training will specifically discuss the SFAs relationship with Food Service Management Companies and their contract management.

Tuesday, April 20, 2021: SFSP Prospective New Sponsors at 12:30pm

- *This training is for sponsors who have not participated in SFSP in the past year. If you attended the SFSP SFA training, you do NOT need to register for or attend this training, unless desired.*

Thursday, April 22, 2021: Procurement Series Part 3: Micro and Small Procurement

- In the third part of the Procurement Series, this training will get into details about micro-purchases and small purchase procurement.

Wednesday, April 28, 2021: Production Records and Whole Grains

- This training will discuss common findings with production records as well as discuss the definition of whole grains and whole grain rich compliance.
